SOCIAL EVENTS

Of the many pleasant ways of enjoyment and pleasure these sultry days none is more delightful than is an outing on the blue waters of the beautiful Ohio, and especially is it so when the company is of your own selection and liking, and the surrounding comforts up-to-date.

Commodore C. M. Phister is noted for his sportsmanship and knowledge pertaining to the matter of boats and boating, and one in his charge always feels safe and is sure of a good time and safe return. Captain Laurence Phister is a chip from the old block, and when in his charge the same confidence of safety is manifested by his companion guests.

Thursday the natty little steamer Nantux Cooper was bedecked from bow to stern with flags and bunting to do honor to the gay party—guests of Captain Laurence Phister—soon to board her.

Lashed to her bow was a roomy barge with an awning for protection against the warm rays of an August sun, and ample seats for their ease and comfort.

The merry party ascended the river as far as "Camp Phister," where they disembarked and spent several hours in romping and enjoying themselves with a zest. A spread was set that would tempt an epicure—chicken, ices, cakes, etc., after which they boarded the Cooper for the return trip and arrived at the wharf at 5:30 p. m.

The party was composed of the following young ladies and gentlemen:

Mrs. Phister and Miss Power, chaperones; Miss Galtkill, Winchester; Miss Carpenter, Cleveland, O.; Miss Frank, Lexington; Miss Latimer, Pittsburgh, Pa.; Miss Elizabeth Adamson, Miss Amy Calhoun, Miss Hattie Cochran, Miss Jennie Douglas Dobyns, Miss Bert Taulbee, Miss Esther Taulbee, Miss Winnie Elgin, Miss Sharp, Miss Mary Belle Sharp, Sharpsburg, Ky.; Miss Helen Pelham, Miss Julia Perrine, Miss Nettie Cooke Dobyns, Miss Lide Richeson, Miss Scottia Worthington.

Mr. Beckner, Winchester; Mr. Darnall, Helena; Mr. Dudley, Winchester; Mr. Lovel Samuel, Mr. LeWright Browning, Mr. Keith Adamson, Mr. John Calhoun, Mr. Charles Best, Mr. Rob Adair, Mr. Roy Nelson, Captain Laurence Phister.

New line of Black Chiffon Veils at Mrs. M. Archdeacon's.

Tobacco crops in the country about Carlisle were destroyed or badly damaged by hail.

"In California" will be played at Washington Opera-house tonight by the Murray Comedy Company.

The cooking utensils contracted for by subscribers of THE LEDGER will be delivered next Monday and Tuesday.

Dr. William Bowman of Tollesboro has been in the city for several days, and it is rumored that the Doctor has a Senatorial bee buzzing under his hat.

It is announced at Georgetown that Caleb Powers has decided to make an argument to the Jury in his own defense before the close of the trial now pending.

Mr. Chester Frogge, aged 20, son of Mr. John G. Frogge of Mayslick, and Miss Alice M. Clinger, aged 16, daughter of Mr. John Clinger of Fernleaf, eloped to Georgetown, O., last Thursday and were married.

Dr. Henry Ray, State Representative to the National Grand Council of the Jr. O. U. A. M., will leave for Baltimore Tuesday, August 25th, to be present at the opening session in that city on the above date. Dr. Ray is an exalted member of local Council No. 16, and is worthy of all the honors that seems to be his by right of heritage.

NARROW ESCAPE.

Young Man Came Near Being Killed By C. and O. Train No. 1.

A young man about 15 years old, a nephew of W. W. Wikoff, Agent at the C. and O. Depot, came within a hairbreadth this morning of losing his life by No. 1.

He had just come out of the Brooks House and was going down to the Depot, walking on the track.

Just then the Fast Flyer came along at a rate of 40 miles.

The Engineer saw the boy and blew the whistle repeatedly, but it did not attract his attention. He seemed to be in deep meditation and oblivious to his surroundings.

Several gentlemen who witnessed the incident also tried their best to warn him, but without avail, and not until the train was within ten feet of him did he realize his perilous position, and with a bound he leaped over the bank just as the train was on him.

It was a hair-raising escape.

THE TEACHERS' INSTITUTE.

Adjourned Yesterday After a Very Successful Meeting.

The Teachers' Institute recently held in this city was the most successful that has been held here for years. The attendance was good from the very first and intense interest was manifested throughout. The work presented by the instructors was of an entirely different nature from what the teachers usually get in an Institute.

Prof. Withers lectured upon the psychological side of teaching, and explained in a very lucid way the workings of that important science and its relation to educational ideas. He also gave some good, sound, practical advice in regard to school management.

Prof. Drushel, in his Nature Study work, opened up an entirely new field of thought to the teachers of Mason county. He endeavored to arouse an interest in plant and insect life, showing the uses of the one and the injurious nature of the other. This work, if carried out more fully, we can see will be of incalculable benefit to farmers.

The teachers were all highly pleased with Superintendent Wells' efforts in securing such good instructors, and as an evidence of their appreciation of the week's work adopted the following resolutions:

Resolved, That, at the present meeting of the Mason County Institute, we feel it has in every particular been beneficial and inspiring. We also feel that the instruction has been of such a nature as to lead every teacher on in his efforts to higher effectiveness in his work. For this true educational spirit do we particularly thank our instructors, each one of whom has offered valuable and lasting food for thought. Our worthy Superintendent has also added much to the success of the work by his fitting selection of said instructors, and for this fact our thanks are especially due.

Resolved, That we thank Miss Edith Berry and others who so ably aided in the musical part of our program, and that grateful acknowledgment will be made to the School Board for the use of the High School Building during the sessions.

Resolved, That Prof. J. A. Drushel be most sincerely thanked for his kind offer of a scholarship in the N. N. U. of Lebanon, O., to the pupil who makes the best grade in the county, and a term in the summer school to the teacher who succeeds in training that pupil.

Furthermore, be it resolved, that we especially recognize the interest of those visitors who by their presence from time to time showed that the matter of education is still one of vital importance.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

We are fully prepared for the events of the Fair week. There are a number of things in our line you will want. White Shirts, White Vests, White Pants will be the "go." We have lots of them. We have a limited number of Elk Parasols. Last year they sold at 50c. We are closing them at 25c. Our Elk Ties at 50c are the handsomest in town. We know that as a rule "Fair" guests don't want to spend much time shopping, but if you are inclined to spend a few moments in order to post yourselves on the coming season's styles in the best Men's, Boys' and Children's Clothing in the world we will only be too glad to do the honors in showing you through. "Yours for a good time,"

These Umbrellas Are Worth Buying

They would be a fine investment at their full prices. The cover is black bordered taffata, so good the price we've set on the umbrellas hardly more than covers the cost of the cover and frame—you get the handles for nothing. And they are a fine lot—pearl-and-silver, gun metal, royal copper, natural wood, gold plated and enamel. \$1.50 worth \$2.

Scarfs and Pillow Shams.

The scarfs are 51 inches long, and come in fine spachtel and blind embroidery. The shams are 33 inches square and there are a 1/2 dozen different patterns. The table covers are round, square and oblong—any table top can be fitted. Many of the pieces have been used in decorating windows and show cases and show evidences of handling. Hence prices decline in this way. It's a bit of good news for housekeepers who want to make the pennies go a long way.

REPUBLICAN COUNTY CONVENTION.

The Republicans of Mason county will meet at the Courthouse Saturday, August 26th, at 10 o'clock p. m., to select delegates to the Conventions to be held at Vanceburg August 26th, 1903, to nominate candidates for Judge of the Nineteenth Judicial District and State Senator from the District composed of Mason and Lewis counties. Basis of representation is one delegate for each 50 votes and fraction over 25 cast for Presidential election in November, 1900. W. D. COCHRAN, Chairman.

The success of the Elks Fair is proof positive that Maysville stands ready to back up any legitimate enterprise that has the right sort of "push" at the head of it. How would it do for the Elks to take charge of the brick street campaign—and build bitumen-macadam or asphalt streets in place of the present expensive turnpikes?

The Bracken County Telephone Company has bought the Brooksville and Milford line.

UNRULY INMATE.

Dick Key Gave Trouble to the Matron of the Infirmary.

According to the statement of Squire Fred Dressel, since the death of Superintendent Slatery, Richard Key, an inmate of the Infirmary, has been a source of great annoyance to the officials and inmates by getting drunk.

Saturday night he was so boisterous that the Matron sent for the Squire and had him removed from the grounds.

Key, through the advice of his attorney, returned to his old quarters Monday evening and refused to leave when ordered to do so by the Matron, who thereupon telephoned the Squire for aid and succor in his removal.

A warrant was sworn out charging him with a breach of the peace and given to Constable Chisholm, who executed it by placing Key in Jail, where he now languishes.

Mrs. Mollie Allen of South Fork, Ky., says she has prevented attacks of cholera morbus by taking Chamberlain's Stomach and Liver Tablets when she felt an attack coming on. Such attacks are usually caused by indigestion, and these Tablets are just what is needed to cleanse the stomach and ward off the approaching attack. Attacks of bilious colic may be prevented in the same way. For sale by J. Jas. Wood & Son, Druggists.

A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Maysville Citizen is Followed.

A women's back has many aches and pains.

Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it.

Many Maysville women know this. Read what one has to say about it: Mrs. John E. Burns of the West End, near Pogue's, says:

"I am greatly pleased with the benefit I received from the use of Doan's Kidney Pills which I procured at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. Use proved them to be the best kidney remedy that I know of. I have heard a number of persons speak of the great relief obtained from the use of Doan's Kidney Pills."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and ask no substitute.

It is predicted by many that Wednesday afternoon's rain will add thousands to the attendance at the Elks Fair. It is to be hoped that these prophets understand their business.

Political Pickings

JURY PACKING IN KENTUCKY.

Philadelphia Bulletin.

Caleb Powers, the former Republican Secretary of State in Kentucky, may or may not be guilty of complicity in the murder of Goebel, a crime of which he has been twice convicted by a Court whose verdict has twice been overruled and reversed by the state Court of Appeals on the ground that its action was illegal and unjust. But the fact that the panel of the Jurors which was drawn to try him for the third time is said to have consisted of ninety-three Democrats and only two Republicans, while the trial Jury as actually constituted contains a single Republican and eleven Democrats, does not inspire confidence in the fairness of the present proceedings. The two political parties are pretty evenly divided in the Bluegrass Commonwealth. A panel of Jurors selected without partisan considerations would be likely to have about as many Republicans as Democrats. Certainly there is no section of the state in which such a disparity as that noted in the Powers Jury could be anticipated from natural causes.

While gathering edelweiss a German named Daniel Lang fell over a precipice on the Val Tours, in the Canton of Grisons, Switzerland, and was killed.

The lion is worth to the animal dealer \$1,500, the lioness \$500, the leopard \$300, the panther \$250, bears \$50 to \$500, an elk \$200, the camel \$300, and the elephant \$500.

A Socialist paper published in Kansas has half a million circulation, another in Missouri 50,000, and a magazine now printed in Canada circulates more than 100,000 copies.

The white muscardine fungus, which causes the most contagious and fatal disease of chinch bugs, is being distributed from the Ohio Agricultural Experiment Station at Wooster.

In order to illustrate the difficulties which the finished pianist has to encounter, a Parisian papers states that to play the "Moto Perfectus" of Weber the musician must read 4,501 notes in four minutes, or nineteen per second.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux," (dysentery) says Mr. T. A. Plummer, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by J. Jas. Wood & Son, Druggists.

By the introduction of zone tariffs on the Berslag Railway in Sweden the fare for a journey of 300 miles is reduced to about 10s.

WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of Indigestion, Dyspepsia and Liver Troubles that has not been cured; and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25¢ bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 25¢ size has just been introduced this year. Regular size 75¢. At Henry W. Ray's, next door to Postoffice.

The C. and O. pay car was here yesterday.

The Rev. R. J. Graetz of Augusta will conduct services at the German Church Sunday at 10:30 a. m.

Judging from the number of people in town this morning, the Elks Fair will be well attended this afternoon.

Miss Lena Fristoe of Pleasant Valley and Miss Nora Kelley of Cincinnati are visiting Mrs. Charles F. Reed of the county.

Will Rice has been attending the Fair every day, and incidentally pushing his claim for the Democratic nomination for Sheriff.

The brick machine at the Maysville Brick Company yards broke down Monday. This gave the boys an opportunity to attend the Fair.

Mrs. Thomas Cummins and children, who have been spending a season with Mr. Cummins's parents at Carlisle, returned home last night.

Mr. J. W. Clinger has been awarded the contract for a big hotel at Point Pleasant, W. V., with Mr. S. B. Chunn, another Maysville contractor, superintendent.

Dr. W. R. Heflin of Newport came up Wednesday to pay a visit to his wife, who has been here with her parents, Mr. and Mrs. John Walsh of East Second. They will remain until Sunday.

Mr. Willie Manning of Helena and Miss Mary Elizabeth Harrison of Mason county were married at the residence of M. B. Tolle, this city, June 13th. The marriage license was recorded at the County Clerk's office August 19th.

A few copies of THE LEDGER got out yesterday giving the weight of Mr. W. L. Holton's fine yearling bull at 16,000 pounds. The misprint was corrected in later numbers by having one of the ciphers lopped off. It is a pretty hefty animal, but not quite an 8-tonner.

River
News

The river is falling slowly.

The Allie Riggs brought up a barge of watermelons from Charleston Bottoms to supply the great demand now on for the luscious melon.

The Bill Clark on her down trip left a barge containing three hundred barrels of salt at our wharf for merchants of this city.

Mr. Wyatt Owens of near Fernleaf is suffering from a severe attack of rheumatism.

Yesterday Mr. James Childs purchased from Mr. and Mrs. Bert L. Pearce of Covington their beautiful East End dwelling in this city. Consideration, \$1,900. After some improvements Mr. and Mrs. Childs will occupy it as their home.

John Scarborough and Mrs. Ella Norton were married a day or so ago at Georgetown. The bride is the widow of James Norton, one of the Jury in the first Powers trial, who was burned to death 10 days after the trial in the Sadieville Jail.

Mr. William S. Bridges and Mr. Sidney Davidson, who drove to this city from Portsmouth to attend the Elks Fair, will leave today for Glen Springs, where they will spend several days, then proceed on their way home, going the distance on this side of the river.

SEVERAL SHOCKED.

Lightning Ran Down A Telephone Pole at Second and Market.

Wednesday Mr. Henry Paul and several others were leaning against the telephone pole at the corner of Second and Market when that terrific crash of electricity and lightning was heralded from the clouds and descended upon the city.

The entire party was forced quite a distance from their positions by the electric shock they received, the force of the charge descending the pole and coming in contact with their bodies.

Mr. Paul was more affected by it than the others, he being shocked and bruised considerably.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. Jas. Wood & Son, Druggists.
